3.1 An Agreement is made between the Parties when both Parties have duly signed the Agreement or when Sandvik has issued a Purchase Order to Supplier and Supplier has confirmed such Purchase Order. Supplier shall submit a written order confirmation to Sandvik within three (3) business days from the receipt of the Purchase Order. To the extent permitted by the applicable law, failure to submit such confirmation within the time stated above shall be deemed as an acceptance of the Purchase Order.

3.2 Sandvik may from time to time issue forecasts of its anticipated future requirements for the Goods. Unless otherwise agreed in writing between the Parties, such forecasts are non-binding on Sandvik.

3.3 In case the Agreement is a framework agreement, Supplier shall not be entitled to reject Purchase Orders, which are based on the framework agreement between the Parties, provided that: (a) they are pursuant to the terms and conditions of the framework agreement, (b) they contain the prices applicable pursuant to the framework agreement during the relevant price period as set out in the framework agreement, and (c) the delivery dates of the ordered quantities are reasonably allocated over time.

4 DELIVERY TERMS

4.1 Supplier shall make the Goods available to Sandvik on the delivery terms specified in the Agreement. Unless otherwise agreed in writing, the delivery term shall be FCA (Incoterms 2020) at the place of manufacture of the Goods.

4.2 In respect of each delivery, unless otherwise agreed in writing, Supplier shall provide the Documentation to Sandvik. The Documentation shall be delivered in electronic format in the English language unless a physical copy is separately requested by Sandvik. Documentation is considered as an integral part of the Goods and the delivery of the Goods is therefore not duly completed until delivery of the Documentation is to Sandvik's satisfaction.

4.3 Supplier shall pack and mark the Goods as specified in the Agreement and at its expense. If the Agreement does not include packing instructions, Supplier shall use appropriate commercial packaging to prevent damage during transport.

4.4 Supplier shall provide Sandvik with all necessary information for customs declaration as applicable, including information on general origin of the Goods. Where applicable, Supplier shall issue a supplier's declaration or a long-term supplier's declaration for the Goods having preferential or non-preferential origin status in accordance with European Union rules of origin governing the preferential trade.

4.5 Time is of the essence to Sandvik. The Supplier shall not make partial deliveries (with the exclusion of spare part deliveries) or deliver any earlier or any later than the agreed delivery date, unless otherwise agreed in writing.

4.6 Should any delivery be at risk of being delayed due to reasons attributable to Supplier, Supplier shall undertake all necessary measures at its expense in order to meet the agreed delivery date, including but not limited to organizing express or airfreight shipment. If Supplier anticipates that any delivery is in danger of being delayed, Supplier shall notify Sandvik without delay in writing, giving the reason for the delay and specifying a new delivery date. Supplier shall pay for any special delivery costs in case of changed delivery dates.

4.7 Sandvik shall be entitled to liquidated damages, for delayed delivery of Goods or any part of it (which, for the avoidance of doubt, includes delays caused by the Supplier's replacement or rectification of defective Goods), or its related Documentation, at a rate of 2% of the purchase price of the delayed Goods calculated for each beginning week of delay. The liquidated damages shall not exceed 20% of the purchase price of the delayed Goods.

4.8 Sandvik is not obliged to inspect the Goods upon delivery. Instead, Sandvik must be able to rely on the quality management system of Supplier which shall control the production process and shall assure that the Goods are in accordance with the Specifications and the Agreement.

5 SUPPLIER'S GENERAL OBLIGATIONS

5.1 Supplier shall perform its obligations in a professional, timely, efficient and careful manner according to highest market standards and in accordance with and in full compliance with the Agreement, all applicable laws and regulations and good industry practice.

5.2 Supplier shall verify before confirming the Purchase Order that Supplier has obtained all information necessary to determine that the Goods are fit for their intended purpose for which Sandvik is purchasing the Goods. Supplier is aware that the Goods will be used as a part of or in connection with mining and construction applications or equipment that may operate under extreme load, hard climatic conditions and/or twenty-four (24) hours a day.

5.3 Supplier shall with due diligence inspect the drawings and Specifications provided by Sandvik. Supplier shall without delay notify Sandvik of any defect, discrepancy and inconsistency discovered therein.

5.4 Supplier shall not make any changes to the Goods or Specifications or the production methods without Sandvik's prior written consent. Supplier shall be allowed to, upon notice to Sandvik and with no additional cost to Sandvik, make minor modifications to the Specifications, which do not affect the Delivery Dates, fit, performance, function or warranty of the Goods.

5.5 To the extent permitted by the applicable law, Supplier agrees that the Technical Data, if any, shall belong to Sandvik, and shall be transmitted to Sandvik for purposes including, but not limited to, developing its products, solutions and services. Sandvik shall own all works, products, reports and improvements based upon, derived from, or incorporating Technical Data. To the extent permitted by the applicable law, Technical Data may be transferred (a) to Sandvik's Affiliates and (b) to third parties who act for or on Sandvik's behalf for processing in accordance with the non-exclusive purpose(s) listed above or as may otherwise be lawfully processed. Sandvik's rights to use Technical Data shall survive the termination or expiration of the Agreement, any applicable warranty period and any other commercial contract between Supplier and Sandvik. For the avoidance of doubt, Technical Data shall be considered as Sandvik's Confidential Information.

5.6 Supplier warrants that the Goods, including its logic-bearing system components (e.g. hardware, firmware, and software hereafter referred to collectively as the "**Critical Components**") shall in no event contain any viruses, trojans, spyware or any other malware and it shall not manufacture, distribute or subject any of Sandvik's information systems to the same. The Goods shall be delivered with the latest authentic Supplier security patches. Supplier agrees to provide summary documentation of all known and reasonably suspected vulnerabilities for the Critical Components and agrees to deliver the relevant documentation with the recommended compensating mitigation workarounds for the Goods. Sandvik and Supplier shall agree on the maintenance and support of any Critical Components separately in writing.

5.7 Supplier represents and warrants that the Goods do not contain, do not interfere with, do not require, are not linked to and do not make use of any third-party software, including any open-source software, unless agreed otherwise in accordance with this Clause 5.7. Supplier may include third-party software, including open-source software, in the Goods, only upon prior written consent of Sandvik. Supplier shall always comply with the license terms of any third-party software used as part of the Goods as well as the conditions of the use agreed by the Parties. Supplier is obliged to maintain a list of used third-party software and provide Sandvik with a comprehensive and up-to-date list of the same without undue delay, if such list is requested by Sandvik. For the avoidance of any doubt, inclusion of any third-party software in the Goods in accordance with this Clause 5.7 does not in any way limit or affect any of Supplier's liabilities under this Agreement or otherwise.

6 PRICE AND PAYMENT

6.1 The purchase prices included in the Agreement and/or the separate Purchase Order are fixed and are excluding value added tax (**VAT**) but shall include (i) any other taxes, duties, fees and other charges that need to be added to the prices for the Goods according to valid statutory provisions related to the country of origin/manufacture and/or country of delivery, and (ii) all packaging and packing costs. If the supplied Goods are subject to VAT, Sandvik will pay an additional amount on account of such VAT, provided that the VAT amount is invoiced at the same time and in the same manner as the payment for the supplied Goods and Sandvik is provided with a tax invoice or similar prescribed

document as required by law.

6.2 Supplier shall not be entitled to increase prices unless otherwise agreed between the Parties.

6.3 Payment shall be made within ninety (90) calendar days from the receipt of the invoice. Invoicing may not be made until the relevant Goods have been delivered and accepted for delivery by Sandvik in accordance with the agreed delivery term. The invoice shall always state a Purchase Order number. Supplier shall comply with Sandvik's reasonable invoicing routines, as applicable and informed to Supplier by Sandvik from time to time. Supplier acknowledges and agrees that invoices that do not comply with the invoicing routines will be considered incomplete and not due for payment.

6.4 Payment for the Goods is subject to deduction or set-off of any undisputed claim related to the Agreement which Sandvik may have against Supplier.

6.5 Payment under an Agreement shall not be construed as an acceptance of the relevant Goods or as a waiver of any rights by Sandvik.

6.6 Supplier shall not assign its receivables based on invoices to Sandvik to any third party without prior written consent from Sandvik.

7 VARIATION AND CANCELLATION

7.1 Sandvik has the right to order variations in the Goods ordered without separate compensation to Supplier. Variations may include, but are not limited to, increases or decreases in the quantity, changes in Specifications and execution of the Goods or any part thereof, as well as changes in the delivery schedule. If such variation has an effect for the costs of Supplier (Supplier acting reasonably and taking into account any notice period given), a fair adjustment of the price will be made. If Sandvik has ordered variation of its Purchase Order, Supplier shall honour its obligations arising under the altered order within the delivery time originally provided, unless such variation reasonably requires that Supplier be allowed a later delivery date.

7.2 Sandvik may cancel the Agreement, partly or in its entirety, without reason at any time. Should Sandvik cancel the Agreement, partly or in its entirety, for convenience, Sandvik shall: (a) for Goods that are ready for delivery from Supplier, and which Supplier cannot reasonably reallocate to a third party, take delivery of such part of the Goods and pay the relevant parts of the agreed price set forth in the Agreement; (b) for Goods that are not ready for delivery from Supplier, and which Supplier cannot reasonably reallocate to a third party, pay Supplier's proven direct costs for such Goods (or the relevant part thereof) prior to the cancellation; or (c) for Goods that Supplier reasonably can and is allowed to reallocate to a third party, be entitled to such cancellation without paying any part of the price for such Goods or incurring any costs.

8 TESTS AND INSPECTIONS

8.1 Supplier shall conduct all necessary tests and inspections of the Goods prior to the delivery at its own expense to ensure that the Goods meet the Specifications. Supplier shall obtain all inspection or test certificates required by the laws and regulations of the country of manufacture and/or as specified in the Agreement.

8.2 Supplier shall keep written records of all tests and inspections referred to in Clause 8.1, stating the time, purpose, object, results, findings and the conductor of the test or inspection. Such records shall be available to Sandvik for at least ten (10) years after the delivery of the Goods.

8.3 Sandvik or its representative shall upon reasonable notice in writing to Supplier be entitled to perform and conduct tests and inspections of the Goods and manufacturing procedure at Supplier's premises during normal working hours. Such tests or inspections shall not constitute acceptance of the Goods and shall be aimed to evaluate Supplier's compliance with the Agreement.

8.4 If the Goods do not meet the Specifications during such tests or inspections or if any defects exist, Supplier shall immediately rectify such defects and shall pay Sandvik's expenses, if any, resulting from further tests and inspections.

8.5 Sandvik may perform tests or inspections on test samples. If Sandvik rejects a test sample Sandvik shall, at Supplier's request, return the test sample to Supplier and Supplier shall without undue delay deliver a new or rectified test sample to Sandvik at Supplier's cost. If such new or rectified sample fails to pass Sandvik's tests or inspections or fails to conform with the Agreement, Sandvik is entitled to cancel the Agreement without any liability on its part and return all test samples to Supplier at Supplier's cost.

8.6 Approved or rejected tests or inspections shall not relieve Supplier of its obligations under the Agreement.

8.7 No failure or inability of Sandvik to inspect or test any part of the Goods, including drawings, information and samples, as well as any approval, consent or rejection by Sandvik, shall release Supplier from its obligations and/or liability under the Agreement and/or law.

9 RISK OF LOSS AND TRANSFER OF TITLE

9.1 The risk of loss of the Goods shall pass from Supplier to Sandvik upon completed delivery and acceptance of the Goods in accordance with the agreed delivery term.

9.2 Upon delivery, Supplier gives Sandvik the right to use the Goods in accordance with the Agreement or otherwise enjoy the benefit of the Goods.

9.3 The risk of loss and title to the Goods shall pass from Supplier to Sandvik upon completion of delivery and acceptance of the Goods in accordance with the agreed delivery term.

9.4 If Sandvik is unable to receive the Goods or any part thereof on the agreed delivery date, the risk of such Goods shall pass to Sandvik when such Goods have been stored by Supplier as agreed by Sandvik.

10 PRODUCTION TOOLS

10.1 Supplier shall provide all Production Tools at its own cost unless otherwise agreed. Production Tools provided by Sandvik shall fully remain and be marked as the property of Sandvik. Production Tools paid for by Sandvik and provided by Supplier shall become the property of Sandvik.

11 WARRANTY

11.1 Supplier represents and warrants that: (i) the Goods meet the Specifications, (ii) the Goods are free from defects including defects resulting from faulty design, materials or workmanship, (iii) the Goods are fit and safe for the intended purpose and use, which is known to Supplier; and (iv) the Documentation is free from defects including errors, omissions or unclear statements. .

11.2 In event of a warranty claim by Sandvik, Supplier shall without delay investigate the reason for the defect in the Goods and take all reasonable steps to identify, control and remediate any deficiencies within its supply chain that contributed to the defect to eliminate or minimise the risk of such claim in the future. Supplier shall within thirty (30) days of the claim from Sandvik deliver a report to Sandvik explaining the results of the claim investigation and also what corrective and preventive measures are being taken to avoid similar quality problems in the future.

11.3 Sandvik shall promptly notify Supplier of any defects in the Goods and Supplier shall, at its discretion and without delay, repair or replace the defective Goods at Supplier's cost. Repair shall be carried out at the place where the Goods are located unless Supplier deems it more appropriate that the Goods are sent to Supplier or a destination specified by Supplier at Supplier's cost. The Goods for replacement by Supplier shall be made available for collection by Supplier at its own cost at the location specified by Sandvik.

11.4 Supplier is not responsible under the warranties for defects caused by (i) a failure by Sandvik to follow the instructions in the Documentation; (ii) subject to Clause 5.4, modifications or alterations made to the Goods after the delivery without the prior consent of Supplier; (iii) materials or structures prescribed or provided by Sandvik; or (iv) normal wear and tear of the Goods

11.5 The warranty period shall be twenty-four (24) months from the date of takeover, or thirty-six (36) months from the date of the completed delivery of the Goods to Sandvik, whichever is longer. The date of takeover means the date when Sandvik's customer or end-user (as the case may be) of the Goods has accepted delivery of the Goods to it. Sandvik shall inform Supplier in writing of the date of takeover if the date of takeover is more than twelve (12) months after completed delivery, or otherwise upon request.

11.6 Notwithstanding the warranty period provided to Sandvik as set out in Clause 11.5, in the event of defective Goods repaired or replaced by Supplier, a new warranty period of twenty-four (24) months shall commence on the date Sandvik accepts the repaired or replaced Goods.

11.7 In urgent cases or if Supplier fails to remedy any defect in the Goods within a reasonable time, Sandvik or a third party appointed by Sandvik shall be entitled to repair or replace such defect at Supplier's cost (acting reasonably) or, if the defect is not capable of reasonable repair by Sandvik, to terminate the Agreement and withhold payment of invoice to the extent the defect is applicable to the invoice. In case the Agreement is partly terminated, Sandvik shall be entitled to compensation for its loss, costs and damage up to a maximum of 100 per cent (100%) of that part of the purchase price which is attributable to the part of the Goods in respect of which the Agreement is terminated.

11.8 The Parties agree to handle warranty claims in a practical manner and in a way that minimizes the costs and damage to Sandvik's end-users. This means that in certain situations, for example in the event of safety risks, Sandvik or a third party appointed by Sandvik may replace or repair the defect Goods or part thereof, without prior notification to Supplier, and Supplier shall reasonably compensate the purchasing price of replacement parts, materials and labour used for the replacement or repair, and the related travel and freight costs.

11.9 If a defect in the Goods is such that Sandvik decides it appropriate to carry out a product recall (of Goods supplied to Sandvik) to repair or replace the defective Goods, Sandvik shall promptly notify Supplier. Supplier shall at its own cost give such assistance to Sandvik as is reasonably requested and pay for Sandvik's expenses resulting from such product recall.

11.10 If a fault, defect or deficiency is discovered in the Goods and Sandvik has a reason to assume that it may also occur in other Goods delivered by Supplier, all such Goods shall be considered defective regardless of their warranty period.

12 LIABILITY

12.1 Without prejudice to any liability set out in these Conditions, in the Agreement or at law, a Party shall compensate the other Party for any loss or damage suffered as a result of a breach of the Agreement.

12.2 Supplier shall indemnify and hold Sandvik harmless from any and all losses and liabilities, damage, costs (including reasonable legal fees), expenses or loss incurred by Sandvik and its directors, subcontractors and customers as a result of claims, suits, actions, demands or proceedings related to and/or arising from injury and/or death, loss of and/or damage to property to the extent attributable to Supplier's performance of its obligations under the Agreement, or to the delivery of the Goods or the use thereof. 12.4 Supplier shall hold and maintain (i) public liability insurance of at least [AU$]20 million; workers compensation insurance as required by law; and (iii) professional indemnity insurance of at least [AU$]5 million, with a reputable insurer reasonably satisfactory to Sandvik. Such insurance must include a waiver of subrogation clause and state Sandvik as an additional insured. A certificate of such insurance shall be provided to Sandvik upon request.

12.5 Neither Party is liable for any indirect or consequential, damage, including, without limitation, loss of profits, unless a Party acted with gross negligence or in wilful misconduct. This limitation of liability in this Clause 12.5 shall not apply to the indemnification obligations of Supplier and/or consequences of infringement of Intellectual Property rights of the Parties (to the extent any of them would be considered consequential damages and/or losses). Any damage caused by the Goods to any property other than the Goods or persons, and costs attributable to the mitigation or prevention of such damage, shall always be deemed as direct damage.

12.6 Supplier's liability towards Sandvik for its undertakings shall be the same regardless of whether the undertaking is performed by Supplier or its subcontractor.

13 INTELLECTUAL PROPERTY RIGHTS

13.1 A Party acknowledges and agrees that the other Party's Proprietary Goods shall at all times be and remain the exclusive and absolute property of the other Party.

Supplier hereby assigns to Sandvik all of its worldwide rights (whether present or future) in and to all Intellectual Property (including moral rights to the extent permitted under applicable laws). This includes the rights for Sandvik to further develop or alter any results, material or intellectual property rights and to license or transfer such rights to third parties. Supplier undertakes to incorporate in its contracts with its employees, directors and sub-contractors the necessary terms and conditions to ensure compliance with all applicable laws and regulations in relation to its employees' and sub-contractors' assignment of Intellectual Property as set out hereunder.

13.5 To the extent that any Intellectual Property assigned to Sandvik under Clause 13.3, which according to Sandvik constitutes a patentable invention, Sandvik agrees to pay to Supplier a compensation equivalent of two thousand (2.000) euros in the agreed currency.

13.6 Supplier warrants that the Goods and Supplier Proprietary Goods do not infringe any Intellectual Property or any other rights of any third party. Supplier shall, at its own expense, indemnify, defend and hold Sandvik its agents and employees, and anyone selling or using the Goods and Supplier Proprietary Goods harmless, from and against any and all claims, losses, damage, costs and expenses (including reasonable attorneys' fees) arising out of or in connection with any and all claims brought by a third party alleging that the production, use or sale of the Goods and Supplier Proprietary Goods constitute an infringement or alleged infringement or misappropriation of any third party right, including, without limitation, any third party Intellectual Property right.

13.7 In the event that Supplier, at any time during the duration of the Agreement or thereafter, transfers or assigns any of its Intellectual Property rights to any third party, such assignment shall be subject to the rights granted to Sandvik and Sandvik's end-users.

13.8 Supplier shall honor and refrain from using or referring to the trademarks or trade names (as for example SANDVIK®) owned or generally used by Sandvik or any company belonging to Sandvik group unless: i) in connection with the activities of Supplier with Sandvik, and ii) the Agreement explicitly allows or obliges Supplier to use those trademarks or trade names.

14 CONFIDENTIALITY

14.1 Confidential Information disclosed pursuant to this Agreement shall be used by the receiving Party exclusively for the purpose of this Agreement. Each Party undertakes, both during and after the term of the Agreement, to refrain from revealing or forwarding to a third party or otherwise making public any Confidential Information of the disclosing Party. Confidential Information shall be treated by the receiving Party with at least the same degree of care as: i) the receiving Party uses to avoid disclosure of its own confidential information of a similar nature to any unauthorized third party; and ii) a reasonable and prudent businessperson would use to protect the confidentiality of Confidential Information for which they are responsible.

14.2 The non-disclosure obligation shall not include information that: (a) is in the public domain at the time of execution of the Agreement, or which comes in the public domain during the term of the Agreement other than pursuant to a breach of the Agreement by the Party receiving the information; (b) is known to the receiving Party at the time of disclosure by the other Party without a restriction on further disclosure; (c) is received from a third party without a restriction on further disclosure; (d) is independently developed without using material or information received from the other Party by an employee, subcontractor or consultant of the receiving Party as proven by the receiving Party's written records or other reasonable evidence; (e) the receiving Party is required to disclose by law or by a governmental or administrative agency or body (including without limitation any securities exchange body) or decision by a court of law, but then only after first notifying the other Party of the required disclosure (f) to the extent required to be disclosed to legal or financial advisors who need to know the Confidential Information solely for the purposes of this Agreement or; (g) the receiving Party discloses to a Sanctions Authority for the purposes of seeking guidance or obtaining a license or other authorization with respect to Sanctions, provided that the receiving Party first obtains written consent from the Party who has disclosed the Confidential Information. In the event either of a), b), c) e) or f) above applies, the receiving Party shall keep confidential that it has also obtained the information from the other Party.

14.3 In the event that a receiving Party should commit a breach of any of the confidentiality provisions, then such Party shall indemnify the disclosing Party against any claim, liability, loss, damage or expense (including legal fees and costs on a full indemnity basis) that the non-breaching Party incurs or suffers directly or indirectly as a result of such breach.

14.4 Notwithstanding the above, the receiving Party shall be entitled to disclose the disclosing Party's Confidential Information to its Affiliates and their respective directors, officers, employees or consultants, who need to know Confidential Information for the purposes set forth in the Agreement, on the condition that the receiving Party undertakes to have confidentiality obligations in force with such third party, which are not less restrictive than those set forth herein. Notwithstanding the before mentioned, a Party disclosing information to any of its Affiliates and their respective directors, officers, employees or consultants, is at all times responsible and liable for the compliance by its Affiliates and their respective directors, officers, employees or consultants with the confidentiality provisions pursuant to the Agreement including these Conditions.

15 COMPLIANCE

15.1 Supplier undertakes to comply with Sandvik Supplier Code of Conduct (which is available on Sandvik's website), the Anti-Slavery Laws and ABC-Laws in the performance of its obligations in relation to the Agreement. Supplier shall ensure that its entire subcontractor and sub-

supplier chain involved in supply of the Goods comply with Sandvik Supplier Code of Conduct, the Anti-Slavery Laws and ABC-Laws.

15.2 Supplier shall ensure that the Goods are in conformity with all applicable laws and regulations including those regarding registration, evaluation, authorization and restriction of use of hazardous substances and chemicals.

15.3 Supplier shall furnish to Sandvik all relevant Documentation and information about the Goods to enable Sandvik to comply with all applicable environmental, health and safety legislation, licenses and permits in its use of the Goods.

15.4 Supplier undertakes to specify in writing to Sandvik at the earliest opportunity and, prior to accepting a Purchase Order, any Goods, parts, components or devices included in the Goods which are subject to export restrictions in the country of manufacture or in the countries where any of the Goods, parts or components incorporated in the Goods originate from. Supplier shall also specify the scope of such export restrictions. Supplier shall always provide Sandvik without undue delay and in appropriate language: a valid certificate of origin for supplied Goods (including included US components); a valid HS Code (the code of the Harmonized System, or the Harmonized Commodity Description and Coding System, which is an internationally standardized system of names and numbers to classify traded products, developed and maintained by the World Customs Organization); a valid Long Term Declaration (the Supplier's one-off declaration which is valid for consignments over a longer period of time and which can be made out for any consignments delivered during a period up to a maximum of two (2) years) or a certificate of preferential origin; a declaration of conformity; a valid item test certificate; the current customs certification program participation status (C-TPAT, AEO, etc.); an up to date MSDS sheet (the material safety data sheet prepared in accordance with the laws and regulations applicable to the delivery and the Goods); an ECCN (the Export Control Classification Number, as listed in the Commerce Control List (Supplement No. 1 to Part 774 of the U.S. Export Administration Regulations)) relating to the Goods; and advanced manifest details. Sandvik shall make available its Supplier Trade Data Guideline upon request.

15.5 The Goods shall be CE- marked (the symbol affixed to products before they can be sold on the European market, indicating that a product fulfills the requirements of relevant European product directives; meets all the requirements of the relevant recognized European harmonized performance and safety standards; and is fit for its purpose and will not endanger lives or property) according to valid European Union rules (or in accordance with similar quality and/or authority certification/requirements for any country outside of the European Union). The Goods shall be in compliance with any environmental and safety regulations prescribed in the law or by the authorities in the country where the Goods will be manufactured/operating/used.

15.6 Supplier undertakes to comply with any and all Data Protection Legislation, as well as with the Agreement, including any appended data protection agreement, when processing personal data under the Agreement. Supplier may only process personal data under the Agreement in accordance with Sandvik's instructions as applicable from time to time and shall not be entitled to process personal data under the Agreement for any purpose or in any manner other than is necessary to perform obligations pursuant to the Agreement. Where Supplier processes personal data in connection with the provision of the Goods or otherwise in the performance of its obligations under the Agreement, it is acknowledged that Supplier shall take all such appropriate technical and organizational measures in order to protect the personal data processed under the Agreement. If the Parties have not concluded a data processing agreement (either separately or by attaching such an agreement as an integral part of the Agreement), Supplier is not allowed to process any personal data or on behalf of Sandvik.

15.7 If the Supplier becomes aware or suspects that there has been unauthorised access, modification, disclosure or other misuse or interference with any Personal Information (as defined under the Data Protection Legislation) which it collects, stores, and handles (Data Breach), the Supplier must immediately notify Sandvik of that Data Breach. The Supplier must promptly disclose to Sandvik all information relevant to that actual or suspected Data Breach and provide Sandvik with access to the copies of relevant records relating to the investigation. Without limiting the Supplier's other obligations under this Agreement, if the Supplier becomes aware of a Data Breach, the Supplier must, at its own cost, and as a matter of priority (i) take all reasonable steps to contain and remedy the Data Breach; and (ii) take appropriate remedial action to prevent the affected Personal Information from further breach.

15.8 At Sandvik's request, the Supplier must (at the Supplier's cost) provide all reasonable assistance (including the provision of information, access to documents and the Supplier's personnel) as Sandvik may require from time to time, including to investigate any actual, alleged or reasonably suspected breaches by the Supplier or its employees of the Code of Conduct, Anti-Slavery Laws or ABC Laws.

15.9 If Sandvik exercises its right under clause 17.1 because of a failure to comply with requirements of the Code of Conduct, Anti-Slavery Laws or ABC Laws, Sandvik (i) will not be liable for any losses suffered by the Supplier; and (ii) the Supplier provides a release and indemnity to Sandvik in respect of any losses incurred by the Supplier.

15.10 Supplier represents and warrants that none of the Supplier, nor any employees of the Supplier, or any agent, Affiliate, or other person acting on behalf of the Supplier, is currently (or is otherwise controlled by) Sanctioned Person or otherwise the subject or the target of any Sanctions.

15.11 Supplier represents and warrants from the date of this Agreement and on an ongoing basis that it, and its Related Entities, shall: (a) strictly comply with, and adhere to, all Export Laws and Sanctions; (b) not engage in any activity, practice or conduct involving Sanctioned Person or Prohibited Country; (c) not engage in any activity, practice or conduct that would breach Sanctions, cause Sandvik or its Related Entities to breach Sanctions, or that could expose it, Sandvik or Sandvik's Related Entities to the risk of adverse measures pursuant to any Sanctions (including being designated as Sanctioned Person); (d) inform Sandvik immediately if any person who directly or indirectly owns or controls (as those terms are understood pursuant to Sanctions) Supplier is or becomes a Sanctioned Person; and (e) maintain its own policies and procedures to ensure compliance with Sanctions (and the Sanctions-related provisions in this Agreement).

15.12 Supplier shall cause all subcontractors to give and enter into representations, warranties and undertakings substantially equivalent to those set out in Clause 15.8. Nothing in this Agreement requires either Party to take any action, or refrain from taking any action, where doing so would be prohibited by, or subject to penalty under, any Sanctions, or where doing so would expose the Party or their Related Entities to the risk of adverse measures pursuant to any Sanctions.

15.13 Supplier undertakes to take all reasonable measures to ensure that its employees, subcontractors, agents, and representatives will comply with the Sanctions-related terms of this Agreement. For the purposes of this Clause 15.10, reasonable measures include, but is not limited to, Supplier establishing and/or maintaining policies, procedures and carrying out training relating to compliance with Sanctions.

15.14 Each Party agrees to take advantage of any general licence to lawfully allow for performance of the terms of this Agreement if such performance is affected by Sanctions. For the avoidance of doubt, nothing in this Agreement, or otherwise, requires any Party to apply for any specific licence or authorization in the event that performance of the terms of this Agreement becomes unlawful pursuant to Sanctions.

15.15 If Supplier breaches any representation or warranty set out in Clauses 15.1, 15.10 or 15.11 of this Agreement or, in Sandvik's reasonable opinion, any such breach is likely to occur, Parties agree that Sandvik may terminate or suspend, at its own discretion, its relationship with Supplier immediately, and that Sandvik shall not be liable toward Supplier, or any third party for any subsequent non-performance by Sandvik under this Agreement, and that Supplier shall indemnify and hold Sandvik harmless from any claims or losses relating to such non-performance or otherwise arising from such breach of representation or warranty.

15.16 If Sandvik elects to suspend the Agreement pursuant to Clause 15.12: (a) Supplier will cease performance of any supply of Goods with immediate effect upon being provided with a written notice of such suspension; (b) Supplier shall make available to Sandvik information concerning compliance with the obligations under Clauses 15.1, 15.7 and 15.8 within two (2) weeks of the simple request of such information; (c) Any suspension will last for a period of up to 120 days. If, after this period, Sandvik is unable to confirm that the Supplier is in compliance with Clauses 15.1, 15.7 and 15.8 of this Agreement, Sandvik may elect to terminate the Agreement with immediate effect; (d) For the suspension to cease having effect, Sandvik must serve Supplier with a written notice confirming that the suspension period has come to an end.

15.17 Supplier shall indemnify and keep Sandvik indemnified from and against all and any claims, losses, damages, costs and expenses (including reasonable attorneys' fees) suffered or incurred in any jurisdiction by Sandvik in relation to i) any failure by the Supplier to comply with Sanctions, including liabilities relating to any steps or actions which are required to be taken by the Supplier to remedy any such failures; and ii) any breach of Clause 15 of this Agreement by the Supplier.

16 FORCE MAJEURE

16.1 Neither Party shall be liable in respect of any breach or non-performance of the Agreement if and to the extent that such Party is prevented or delayed from performing its obligations under the Agreement due to extraordinary circumstances outside such Party's control and provided that such circumstances could not have been avoided by such Party and were not foreseeable at the time of execution of the Agreement. Force Majeure events shall not include financial difficulties, industrial action of a Party's own personnel, non-performance of a sub-supplier, shortage or lack of material or resources or shortage of transport. The Parties agree that a force majeure event will not arise in connection with any Sanctions.

16.2 A Party who wishes to rely on an impediment referred to in Clause 16.1 above for discharge of its obligations hereunder must, without delay, inform the other Party thereof. A corresponding duty to inform the other

Party shall apply when the impediment, which the Party has relied on for release of its obligations, has come to an end.

16.3 If the fulfilment of the Agreement or a delivery thereunder is delayed or is likely to be delayed for at least three (3) months due to Force Majeure, each Party is entitled to terminate the Agreement with immediate effect upon providing the other Party with written notification.

17 TERMINATION

17.1 Without prejudice to any other right or remedy available under the Agreement, law or these Conditions, either Party shall have the right to terminate the Agreement and any or all Purchase Orders with immediate effect and without compensation to the other Party if; (a) to the extent permitted by the applicable law, the other Party should pass a resolution, or any court should make an order, that the other Party shall be wound up or if a trustee in bankruptcy, liquidator, receiver, or manager on behalf of a creditor should be appointed or if circumstances shall arise which would entitle the court or a creditor to make a winding-up order or if it otherwise is likely that the other Party is insolvent in the reasonable opinion of the other Party; or (b) a Party has committed a material breach of the Agreement (including Sandvik Supplier Code of Conduct, Sanctions, ABC-Laws and Anti-Slavery Laws), and if rectifiable, not rectified the same within thirty (30) days after receipt of a written notice specifying the breach. For the purpose hereof, a breach of any Sanctions, ABC-Laws, Anti-Slavery Laws or Sandvik Supplier Code of Conduct shall for the purpose of the Agreement not be considered to be rectifiable; or (c) in the event that a Force Majeure situation has not been cured within three (3) months.

17.2 Sandvik shall have the right to terminate the Agreement or a part of it with immediate effect and without compensation to Supplier if Supplier ceases to carry out its business or the ownership or control of Supplier or a material part of its business change.

18 AFTERMARKET, BRANDING AND STOCK

18.1 During the validity of the Agreement and for a period of ten (10) years after its termination or expiration, Supplier shall offer to sell and deliver spare parts relating to the Goods to Sandvik. Supplier shall offer such spare parts at commercially reasonable terms, prices and delivery terms. However, due to the fact that the lifetime of the Sandvik products often exceeds ten (10) years, all phase outs of the Goods are to be planned by Sandvik and Supplier in advance.

18.2 On a written request of Sandvik, Supplier shall free of charge brand the Goods, the packaging, the labels and/or the Documentation with the Sandvik trade names and/or trademarks identified by Sandvik in writing. Supplier must comply with any instructions and brand guidelines provided by Sandvik regarding the use of Sandvik trade names and/or trademarks. Also, on request of Sandvik Supplier shall use Sandvik part-numbers in lieu or in addition of its own part-numbers.

18.3 In case Sandvik reasonably identifies excess or surplus stock within twelve (12) months after delivery, Supplier shall buy-back such Goods, on the condition that such Goods are reusable and resalable, and with the exclusion of Goods made specially for Sandvik. The buy-back price shall be the current purchase price and shipping shall be done at Sandvik's expense.

19 APPLICABLE LAW AND DISPUTES

19.1 Any dispute arising out of or in connection with the Agreement (including any question regarding its existence, validity or termination) shall be governed by the laws of the Philippines.

19.2 The parties agree that any dispute arising out of, or in connection with, the Contract (including any question regarding its existence, validity, or termination) hereto shall use their best endeavours to settle such disputes or differences through amicable discussions. To this effect, they shall consult and negotiate with each other in good faith and understanding of their mutual interests to reach an equitable solution satisfactory to both parties. On the agreement of the parties, they may resolve their dispute through available Alternative Dispute Resolution (ADR) System pursuant to Republic Act No. 9285 or Alternative Dispute Resolution Act of 2004. The parties agree that, upon submission of their dispute to the ADR system: (a) the decision of the arbitrator(s) or the voluntary agreement constituted by the parties shall be final and binding on the parties, and subject to the aforesaid, the parties hereby exclude any rights of application or appeal to any court to the extent that they may validly so agree and in particular in connection with any question of Law; (b) all documents and information disclosed in the course of the arbitration shall be kept strictly confidential by the recipient and shall not be used by the recipient for any purpose other than for the purposes of the arbitration, mediation or the enforcement of the arbitrator's decision and award; (c) except as required to enforce the arbitrator's decision and award or the voluntary agreement, the parties shall not, and shall procure that their respective personnel, their respective Affiliates, and the personnel of their respective Affiliates shall not, make any announcement, or comment upon, or originate any publicity, or otherwise provide any information to any third party (other than its legal advisors, insurers, and auditors) concerning the arbitration or mediation including the fact that the parties are in dispute, the existence of the arbitration, or any decision or award of the arbitrator or voluntary agreement; and (d) nothing in the Contract shall prevent Sandvik from applying for interim, interlocutory, or other provisional relief to protect its rights and interests (including temporary restraining orders and interlocutory injunctions to protect the Sandvik IPR or Confidential Information) in any court of competent jurisdiction provided that such provisional relief shall not prevent or stay any arbitration.

19.3 If the parties are unable to reach any solution despite submission to an ADR System, or within a period of thirty (30) days after the commencement of the negotiation without ADR, then the disputes or differences shall be resolved exclusively by the courts of appropriate jurisdiction in Taguig City, to the exclusion of other venues.

20 MISCELLANEOUS

20.1 If part of the Agreement is or becomes invalid or non-binding, the Parties shall remain bound to the remaining part. The Parties shall replace the invalid or non-binding part by provisions which are valid and binding and the effect of which, given the contents and purpose of the Agreement, is, to the greatest extent possible, similar to that of the invalid or non-binding part.

20.2 The rights and obligations of the Parties, which by express provision or by nature extend beyond the termination of the Agreement, shall survive the termination of the Agreement (including but not limited to, warranties, confidentiality, applicable law and settlement of disputes).

20.3 Neither Party shall have the right to assign the Agreement or a separate Purchase Order or any of its rights or obligations hereunder to any third party without the prior written consent of the other Party, which shall not be unreasonably withheld. Notwithstanding the above-stated, Sandvik shall always be entitled to assign the Agreement or a separate Purchase Order or its rights and obligations thereunder to its Affiliates or to a third party to which the business subject to the Agreement or a separate Purchase Order is sold or transferred, upon written notice to Supplier.

20.4 A waiver by a Party concerning the other Party's breach of the Agreement shall not be construed as a waiver of subsequent breaches against the same or another term of the Agreement.

20.5 All notifications or consents relating to the Agreement or a separate Purchase Order shall be made in writing in the English language to a contact person nominated by each Party by mail, email or another mutually agreed in writing manner in accordance with the contact details given by such Party.
